Special stages will be run on pavement, gravel and sand roads. The first seven stages (First Leg) will be run in Sainte-Agathe-des-Monts on gravel roads. For special stages # 5 - # 6 and # 7 (First Leg), we will use the following starting order: regional entries will start first as per the seeded draw order and they will be followed by national entries in reverse starting order. There is a reseeding on Friday after special stage # 7 and cars will leave the SERVICE AREA IN MONTPELLIER on Saturday morning in reseeded order. Service crews are allowed to trailer rally cars from Sainte-Agathe to Montpellier, either on Friday evening or Saturday morning. Special stage in Montpellier( 4km) is 100% paved (for a total of 8 km). The 'pavement' stage will allow changing of tires. Regional teams will run all stages except the first 4 stages on Saturday (stages #8, #9, #10 and #11). They will restart after the national teams at stage #12.
